Answer: A

Question: 6

DRAG DROP

You work in the finance department of an entity. A director has approached you and asked you to falsify sales invoices which would significantly inflate revenue. The CIMA Code of Ethics suggests that you should deal with such an ethical dilemma by following a number of stages. Place each of the stages identified below into chronological order.

<https://www.examsnest.com>

Stage 1		Report internally to a different director
Stage 2		Remove yourself from the situation
Stage 3		Gather information as documentary evidence
Stage 4		Report to external bodies
Stage 5		Report internally to your manager

Answer:

Gather information as documentary evidence

Report internally to your manager

Report internally to a different director

Report to external bodies

Remove yourself from the situation

Question: 7

The subsidiary company of Group XY has purchased £150,00 worth of goods its parent company. However the goods purchased have yet to arrive at the subsidiary at the end of the financial year 20X4, meaning there is a disagreement in the current account balances between the parent and subsidiary. With Group XY looking to produce its CSOFP for the end of the financial year, which of the following statements are true in relation to accounting for this disagreement? Select ALL that apply.

A. The adjustments to resolve this disagreement, need to be accelerated, so they can be included in the

<https://www.examsnest.com>

consolidation of assets for the CSOFP for 20X4

- B. £150,000 worth of inventory will be debited into the subsidiary's inventory account
- C. As the goods have not reached the subsidiary by the end of the financial year 20X4, they will be included in the CSOFP for the next financial year
- D. £150,000 worth of inventory will be credited into the subsidiary's inventory account
