**Question: 1**

---

**HOTSPOT**

You need to recommend solutions to streamline the business processes.

Which tool should you recommend for each requirement? To answer, select the appropriate options in the answer area.

NOTE: Each correct selection is worth one point.

**Answer Area**

| Requirement             | Tool                                                                                |
|-------------------------|-------------------------------------------------------------------------------------|
| E-commerce sales orders | <div>Dynamics 365<br/>Logic app<br/>Power App</div>                                 |
| Vendor purchase orders  | <div>Dynamics 365<br/>Third party CPQ<br/>Third party EDI<br/>Third party OCR</div> |
| User2's issue           | <div>Dynamics 365<br/>Third party CPQ<br/>Third party EDI<br/>Third party OCR</div> |

---

**Answer:**

---

Explanation:

**Answer Area**

| Requirement             | Tool                       |
|-------------------------|----------------------------|
| E-commerce sales orders | <div>Dynamics 365</div>    |
| Vendor purchase orders  | <div>Third party OCR</div> |
| User2's issue           | <div>Third party EDI</div> |

---

**Question: 2**

---

DRAG DROP

You need to determine which system functionality meets the business requirement.

What should you recommend? To answer, drag the appropriate functionalities to the correct requirements. Each functionality may be used once, more than once, or not at all. You may need to drag the split bar between panes or scroll to view content

NOTE: Each correct selection is worth one point.

| Functionalities   | Requirement                              | Functionality |
|-------------------|------------------------------------------|---------------|
| Workflow          | Approve purchase requisitions over \$50. | Functionality |
| Purchasing policy | Review offsite travel expenses.          | Functionality |
| Audit policy      | Enforce vendor invoice compliance.       | Functionality |

---

**Answer:**

---

Explanation:

| Functionalities   | Requirement                              | Functionality     |
|-------------------|------------------------------------------|-------------------|
| Workflow          | Approve purchase requisitions over \$50. | Workflow          |
| Purchasing policy | Review offsite travel expenses.          | Purchasing policy |
| Audit policy      | Enforce vendor invoice compliance.       | Audit policy      |

---
